BRITISH EUROPEAN & WORLDWIDE COACH HOLIDAYS

Scotlands Highland Railways

This tour takes us into a different world and combines two of the best forms of transport available to us. Firstly we journey to Scotland by our own luxury coach and then experience the most scenic and attractive parts of the West Coast from both the road and the rail.

Included are journeys on the Inverness to Kyle of Lochalsh line, Fort William to Mallaig line, the Speyside Steam Railway from Aviemore as well as a visit to a distillery to sample a "new dram". During the tour we will experience some of the most beautiful and dramatic scenery available in Scotland. Our food offers full board. It includes an oral morning then "Highland" night which consists of a traditional Scottish Rumpet with pipes and dancing.

Daily Itinerary

- Day 1** - We depart early and journey via the motorway network northwards to our overnight hotel in the Lakeshores area.
- Day 2** - After a leisurely breakfast we continue our journey northwards arriving at the Highlands Hotel in Newbroom in time for our dinner to be served.
- Day 3** - Today we journey to Inverness and travel on the Speyside Steam Railway to the Boat of Garten, having been collected by coach we journey on to the Speyside Visitor Centre for lunch. After lunch our coach will take us to the Cairngorms Mountain range where you will be offered the chance to travel on the spectacular railway to the summit.
- Day 4** - After an early breakfast we depart by coach to Inverness where we board the scheduled train to Kyle of Lochalsh. On arrival in Kyle we enjoy some free time before being collected by our coach and returned to the hotel in time for dinner.
- Day 5** - Today's travels take us along part of the Whisky Trail. We stop at a distillery for a guided tour and to sample a dram of their product.
- Day 6** - The West Coast of Scotland between Fort William and Mallaig is so magnificent that justice cannot be done in words or pictures. Today we travel first by train to Mallaig and then return by coach giving us two completely different perspectives of this beautiful area.
- Day 7** - Today we will have an excursion to enjoy some of the surrounding area.
- Day 8** - Regrettably we must depart today and commence our journey home; we look for an overnight stay en route in the Lakeshores area as on the return journey.
- Day 9** - After a final breakfast we continue to journey south to our local area; arrival in South Wales will be early evening.
